

## Wait For Me to Soar

When all is calm and quiet  
In the middle of the night  
I close my eyes, draw in my breath  
And then begin my flight

My soul departs my body  
It soars into the skies  
Gliding over lakes and hills  
Searching for my prize

Descending from the clouds above  
Into your crowded house  
Slipping in between the walls  
Creeping like a mouse

When I come upon you  
Lying peaceful, still, and warm  
My soul calls out to yours within  
And dreams begin to form

We find each other in those dreams  
And no one else is there  
Time for us it has no end  
We meld without a care

When the dreams conclude  
My soul resumes its flight  
Returning to my quiet home  
Until our next sweet night

So when you think you cannot stand  
To miss me anymore  
And when you pray your lover  
Will come walking through your door

Just lay down and close your eyes  
And wait for me to soar  
Into your dreams, into your heart  
Tonight and evermore
